Do you know a high schooler with excellent leadership potential and an interest in the public power industry? Consider nominating them to attend the Nebraska Rural Electric Association's Youth Energy Leadership Camp!

Youth Energy Leadership Camp runs July 9-13, 2018, and is held at the Nebraska State 4-H Camp in Halsey, Nebraska. Dawson PPD will pay for three high-school aged youth to attend. The youth must live in a residence served by the district.

Attendees will join more than 60 other high school students from Nebraska, Wyoming, South Dakota and Colorado to participate in hands-on activities that teach tomorrow's leaders about the electric industry.

Dawson PPD will notify the nominee and encourage them to complete an application if all qualifications are met. A nomination is not considered an application.

Nominations due: April 13

Applications due: April 27

Visit DawsonPower.com or call 308-324-2386 for additional forms.
