ENERGYWISE℠
Use less. Spend less. Do more.

LAWN AND GARDEN APPLICATION

Applications will only be processed if fully completed and signed. Once completed, submit with proof of purchase to your local electric utility. Contact your utility with any questions.

- 20% incentive on electric lawn and garden equipment; lawn mowers (riding, walk behind, robotic), chainsaws, edgers, pruners, leaf and snow blowers, tillers, trimmers, etc.
- Must be brand new and purchased on or after January 1, 2025.
- Chargers and battery purchases are available for the incentive at time of initial equipment purchase.
- Power tools are not included.
- Incentive amount is based on purchase price (installation, taxes, delivery/shipping, and setup costs are not eligible).

1. **Customer Name:** _____ Utility: _____

   Account #: _____ Phone #: _____

   Address & City: _____

2. **Equipment Information:**

   Brand name: _____ Model #: _____
