ENERGYWISE℠
Use less. Spend less. Do more.

SMART THERMOSTAT APPLICATION

Applications will only be processed if fully completed and signed. Once completed, submit with proof of purchase to your local electric utility. If professionally installed, also submit a copy of your contractor's invoice.

Eligible smart thermostats must be an ENERGYSTAR-certified Smart Thermostat or other smart thermostat capable of:

- Wi-Fi connectivity
- Schedule setting
- Providing information regarding HVAC energy use
- Supporting utility demand-side management programs

Select One:
