GENERAL SERVICE

AVAILABLE: To customers of the District for all uses, subject to established rules and regulations, including the District's current procedure for vegetation management so as to ensure the highest reliability of service for all customers. Maximum connected load under this schedule may not exceed that which may be supplied from a fifty (50) KVA distribution transformer.

TYPE OF SERVICE: Single-phase, sixty (60) hertz, alternating current, at available secondary voltages.

Distribution charge: $34.75

RATE: (RATE CODE 11)

Summer	Winter
10.15 cents/kWh	9.05 cents/kWh

Subject to application of Production Cost Adjustment Schedule PCA.

Summer rates shall apply when computing bills for the revenue months of June, July, August and September.

Winter rates shall apply when computing bills for the remaining revenue months of the year.

TERMS OF PAYMENT: The above rates are net, the gross rates being five percent (5%) higher. In the event the current bill is not paid within the discount period shown on the bill, the gross rate shall apply.

MUNICIPAL LEASE, LICENSE OR FRANCHISE FEE: Where the District has an agreement to pay a municipality a percentage of the customer's retail revenue, such percentage will be added to each customer's bill for services located within the corporate limit and served from facilities owned by the community.

GROSS REVENUE TAX: For services located within the corporate limits of an incorporated town or village, the District is required to remit 5% gross revenue tax on revenues. 5% will be added to each bill as a gross revenue tax.

TAX CLAUSE: In the event of the imposition of any new or increased tax or any payment in lieu thereof, in excess of that provided for under Article VIII, Section 11 of the Nebraska Constitution, by any lawful authority on the production, transmission, or sale of electricity, the rate provided herein may be increased to reflect the amount of such tax or in lieu of tax increase.
